Fritz Weber, the Utopia stockman,  
was in Hondo Tuesday on business.  
Mr. Weber says his section has had  
fine rains recently and that winter  
grain and pastures are in fine con-  
dition. Mr. Weber says that all  
kinds of live stock, and especially  
hogs, are scarce and hard to buy.  
He has a quantity of feed, includ-  
ing some 2,000 bushels of good oats,  
that he would like to market through

Attention is called to the Carter  
& Bader announcement of the result  
of the recent Ford Economy test  
staged by Southwest Texas Ford  
dealers. The contest set a new world  
record, but it hasn't much over our  
own record. In our trip to Missis-  
sippi last summer, we drove from  
Helena, Arkansas, to Clarendon,  
on the return trip, a distance of  
either 51 or 54 miles on one gallon  
of gas. Much of the way was along  
an ordinary country road at that.

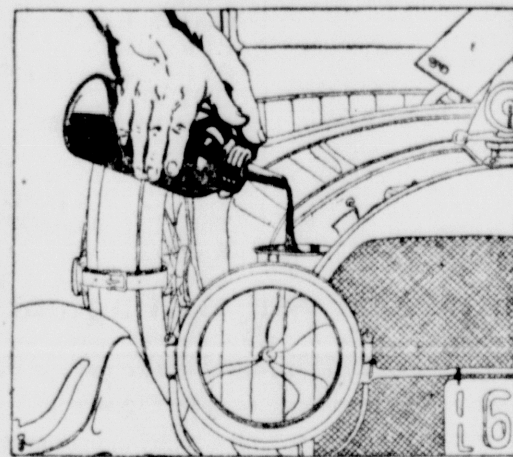

Mary Kation and her pals gave a  
goodly exhibition of dancing at the  
Colonial last Wednesday night and  
brought down frequent applause.  
The Colonial's crowds have been large  
on vaudeville nights, and the ap-  
plause and frequent encores shows  
that the Colonial's patrons appre-  
ciate this class of entertainment.  
This act, however, closed the present  
list of engagements and the public  
will await future announcements with  
a great deal of interest.

C. C. Rogers received the sad news  
the latter part of last week that the  
infant son of his daughter, Mrs. C.  
E. Fulton, formerly known to most  
Hondo people as Miss Emabel Rogers,  
died at the home of it's parents at  
Denton, Texas, Friday morning.

Mrs. Rogers left at once for Denton  
to be with her daughter. The be-  
reaved family has the sympathy of  
the entire community.

Paul C. Yates, an editorial writer  
on the Houston Post-Dispatch, ar-  
rived here the middle of the week  
on a vacation trip. Mr. Yates was  
looking for a place to hunt deer  
and turkey while the season is still  
open.

THE STATE OF TEXAS  
To all persons interested in the welfare of Mrs. Christina Myres, on-Compos-Mentis, A. W. Myres is filed in the County Court of Medina County, an application for Letters of Guardianship upon the estate of said Mrs. Christina Myres, on-Compos-Mentis, which said application will be heard at the next term of said Court, commencing on the first Monday in January, A. ## MEDINA COUNTY GETS 40 MILLION FOOT GAS WELL.

San Antonio, Dec. 11.—Western Gas and Fuel Company got a 40,000,000-foot gas well in its No. 3 Adams in Medina County, the biggest well that has yet been completed in the field. Total depth is 970 feet. The production is estimated, but will probably be gauged within a few days.

The well is located in the center of the northeast quarter of block 14 of the Adams ranch, and is nearly due east from the No. 2 Adams of Henderson & Holden. The new well brings the open flow of the Adams gas field up to around 160,000,000 cubic feet daily.

Two new tests are rigging up in the field. Henderson & Holden are rigging up for their new test, which is in block 9 of the Adams ranch and one location south of Witherspoon Oil Company's No. 2 Adams. It is nearly due east from Henderson & Holden's No. 3 Adams.

Also C. E. Lange is rigging up for a well in the southwest corner of block 32, the location being about a quarter of a mile east of Witherspoon's No. 2 Adams. The Lange well is on a Gulf Production Company's lease, 300 feet from the west and south lines of the lease.

Medina Syndicate No. 1 Mitchell, a west offset to the Henderson & Holden No. 3 Adams, is drilling at about 160 feet.

Completion of the Western Gas and Fuel Company's No. 3 Adams for a production considerably larger than any of the other wells thus far completed is of considerable interest and gives the gas field considerable more importance.—Sunday's Houston Chronicle.

HONDO NOW SERVED WITH NATURAL GAS.

Hondo is now served with natural gas from its own field. The Western Gas & Fuel Company has completed the laying of twenty-four miles of pipe from the wells on the lower Hondo to the twons of Hondo and D'Hanis and on Wednesday, December 15th, the gas was turned on for service for the Hondo public.

The Western Gas & Fuel Company has made record time in installing this service.

The first gas well was struck on the Adams ranch March 20th, 1926. The company began laying its main line from the wells about September 1st. And now the service is available for use of all who desire it.

Since the discovery of the first well, ten more have been brought in so that there are now eleven gas producers, the latest to be added coming in Wednesday night of this week. The possible production of these wells is 200,000,000 cubic feet per day, thus assuring an ample supply.

In addition to this connection with the local field, an 8-inch main is being laid from the wells to connect with the San Antonio system. It is intended to utilize Medina County gas in that city, but as that city is connected with several gas fields, including the Bruni field in Webb County, in the event the local field should become exhausted an ample supply can be brought in from other fields via San Antonio. This makes the system a permanent fixture in Hondo and means one of the town's greatest assets.

THE ARMY CAPTURES HONDO GIRL.

Miss Lorraine Heath, one of Hondo's fairest and most popular daughters, on last Saturday capitulated to Cupid and the U. S. Army when she became the bride of Lieutenant Clyde Davis Eddleman, at Ft. Sam Houston.

Wednesday's Evening News of San Antonio tells of the nuptial event in the following:

"An interesting surprise of Saturday evening was the marriage of Miss Lorraine Heath, daughter of Mr. and Mrs. Lou Ernest Heath of Hondo, to Lieut. Clyde Davis Eddleman, 23rd Infantry, Fort Sam Houston, which took place at 7 o'clock in the post chapel. Chaplain A. J. Brasted read the ceremony, which was witnessed by the bride's parents and Capt. and Mrs. Eugene V. Behan.

Immediately after the ceremony, Lieut. and Mrs. Eddleman left for New Orleans. They expect to return about Jan. 1 and will occupy quarters just across the street from Capt. and Mrs. Behan, in Argonne Heights.

The bride wore a stunning gown of gray crepe romaine and georgette, with voluminous sleeves embroidered with brilliants. Her hat was of gray and silver and her corsage of lilies of the valley and roses.

Mrs. Behan, the bride's attendant, wore yellow georgette, beaded with crystals, her corsage of orchids and her slippers of silver.

As a frequent visitor at the quarters of Capt. and Mrs. Behan, the former Miss Heath has enjoyed an enviable popularity in army circles and will be a pleasing addition to the military set."

This paper joins in congratulating the young officer on his choice of a life companion and wishes the happy bride a full measure of wedded happiness.

CONTRACT SIGNED UP.

The contract whereby the nine members of the Board of Directors of the Hondo Chamber of Commerce underwrite and guarantee payment for the street lights of Hondo for the year 1927 has been signed up and the lights are now definitely assured.

We understand that work of installation is progressing rapidly despite the unfavorable weather, and the service will be on by the first of the year.

When completed few towns anywhere can lay just claims to being better lighted than Hondo.

MARRIED.

Roland Bendele, eldest son of the late Charles Bendele, and Miss Lucille Brice, the eldest daughter of Mr. and Mrs. E. J. Brice, of Leakey, were happily married at Uvalde, December 11, 1926. The nuptial ceremony was performed at 6 o'clock P. M., and Judge Casper of Uvalde officiated.

The happy young couple will make their future home in Hondo where a host of friends will welcome them, and join in extending to them best wishes for a long and happy married life.

FORTY-TWO CLUB.

The holiday note was featured in the ornamentation of the club room on Thursday evening when Mesdames Felix Batot, Aug. Schroeder and Earl Starnes entertained the members and guests of the "42" Club.

The guests drew tallies of red and green for partners for the games of which fifteen were played, Mesdames H. J. Meyer, Edward Cameron and Frank Schweers tying for high score, ten games.

After the games, the guests went to Parker's where they were greeted with more holiday signs and symbols. A decorated Christmas tree, with red and green candles gleaming from its foliage was soon robbed of its numerous red and green packages, containing gifts for the guests. After stripping the tree all were seated at tables, where the gleam of large red tapers, banked with mistletoe, lent their notes of cheer, and were served hot coffee and sandwiches with red and green sticks of candy as favors.

Misses Lena Stone and Mesdames H. J. Meyer, Barnitz Carle, Richard Reilly, Erna Bialock and Robert Bendele were guests for the afternoon. Besides the guests mentioned, the following members were present: Mesdames L. J. Brucks, Horace Bradley, Edward Cameron, Fletcher Davis, W. O. Rothe, Alice Reinhart, Arthur Rothe, F. H. Schweers, Oscar Schuehle and Misses Bess and Lillian Brucks.

Mrs. L. J. Brucks and Misses Bess and Lillian Brucks will be hostesses at the next meeting of the club which will be held on Thursday, December 23rd.

MISS HEATH HONORED.

Mrs. Horace Bradley and Mrs. H. J. Meyer entertained with a delightful bridge and shower at the home of Mrs. Bradley on Friday evening, December 10th, honoring Miss Lorraine Heath, whose marriage to Lieutenant C. D. Eddleman of Fort Sam Houston took place on Saturday.

A profusion of snowy white carnations, mingled with the glistering leaves of evergreens, banded the mantel and made of living-room and dining-room bowers of beauty. Here tables for bridge were arranged and, after several hours of playing, the hostesses served lovely plate lunches of fruit salad, potato chips, saltines, date loaf with whipped cream and hot tea to all assembled.

At the conclusion of the refreshment course, two dainty, yellow and little maids, Mary Elizabeth Meyer and Mildred Bradley, brought into the room a large yellow basket and surprised the honoree by presenting the basket and its contents to her. On unwrapping the packages, they were found to contain exquisite linens, and useful and handsome glass and silver—the gifts of friends to the lovely bride-to-be.

**TO WHOM IT MAY CONCERN.**

I wish to extend my thanks to the one who was so unlucky as to be born into this world without human blood, that threw poison into my lot this morning that took the life of a Poor Dog that was a friend to all.

He was carried to his ranch and placed in Mother earth and that is more that the one that gave the poison ought to have.

Now, My Kind Christian People, if you have anything against me, do pray take it out on my old map—not on a poor dog.

The regular meeting of the Parent-Teacher Association was held at the school building Monday afternoon with Mrs. John Horger presiding.

A very delightful Christmas program by the 2nd grade pupils directed by Miss Ruth Edwards, was rendered for the entertainment of the parents and friends.

The treasurer reported \$68.82 as the proceeds of the recent Mexican Supper. This, added to what was still in the treasury, brought the funds of the club up to \$168.73.

Mrs. O. H. Miller and Mrs. T. C. Barnes reporting for the committee appointed to visit Seco school on the 3rd of December, told of the wonderful co-operation of the entire Seco Community in the work of building up their school and of the hearty welcome the visitors received.

Mr. Brewster announced that school would open, after the holidays, on the 1st Monday in January.

Mrs. W. O. Rothe, Secretary of Seco Club, and Mrs. Barnes of San Antonio were visitors during the afternoon.

In the count for the banner, the pupils of the 2nd grade won by having eleven representatives at the meeting of the club. Their nearest competitor, the fifth grade, had only six.

At the close of the business session, Mrs. Horace Bradley, as hostess for the afternoon, with her assistants, Mesdames Ezzell, F. Bohmfalk, F. Davis, Edw. Cameron, A. N. Eby and W. T. Crow, served hot tea and sandwiches to all present.

## Let There Be Light--- but not fire

Christmas trees call for lights, and too often, lights mean open flames. FIRE is quick to seize this opportunity in many homes each year. Then he turns the merriment of the happiest of holidays into black tragedy.

PROTECT the lives you love and the property you own. Keep matches away from the tinsel tree. Keep candles out of your windows.

BE CAREFUL! Then take one step more. Make absolutely sure of your fire insurance. Call this Hartford Agency.

## NATIONAL FARM NEWS OCCUPIES UNIQUE STATION IN FARM FIELD

Only National Weekly Newspaper Devoted Exclusively to Agricultural Interests.

Something entirely new in the newspaper world was instituted when The National Farm News was launched as a weekly newspaper for farmers.

There have been numerous "farm papers"—but never before a farmer's newspaper. Until the starting of The National Farm News the farmer who wanted to read the news that con-

Editor and General Manager of The National Farm News.

cerned him had to dig through a mass of both ordinary newspapers and farm journals. All that is now done away with.

The National Farm News is truly a farm newspaper. It is made up of live news for farmers and for those who, while not actively engaged in farming, are interested financially or otherwise in farm affairs.

Being a newspaper, it takes the form of a newspaper—not a journal or magazine. This, too, is something new! Heretofore, papers meant for farmers have been made up on the form of journals or magazines. The National Farm News presents to farmers of the United States the news of the week, while it is still live news, in real news style that is easy and interesting to read.

### Why a Farm Paper?

The National Farm News gives the farmer and the rural town man an all agricultural survey of the week's news, with valuable information on the economics of production and marketing. The editorial staff is in close touch with the marketing machinery of the Agricultural Department and all the heads of the various cooperative marketing associations.

They are located in Washington. That is offered along this line represents the best thought obtainable. There is a service of news service.

A TONIC

.....

Grove's Tasteless chill Tonic restores  
Energy and Vitality by Purifying and  
Enriching the Blood. When you feel its  
strengthening, invigorating effect, see how  
it brings color to the cheeks and how  
it improves the appetite, you will then  
appreciate its true tonic value.

.....

Grove's Tasteless chill Tonic is simply  
Iron and Quinine suspended in syrup. So  
pleasant even children like it. The blood  
needs QUININE to Purify it and IRON to  
Enrich it. Destroys Malarial germs and  
Grip germs by its Strengthening, Invigor-

ating Effect. 60c.

.....

No Worms in a Healthy Child

.....

All children troubled with Worms have an un-

.....

healthy color, which indicates poor blood, and as a  
rule, there is more or less stomach disturbance.  
GROVE'S TASTELESS chill Tonic given regularly  
for two or three weeks will enrich the blood, im-

.....

prove the digestion, and act as a General Strength-

.....

ening Tonic to the whole system. Nature will then  
throw off or dispel the worms, and the Child will be  
in perfect health. Pleasant to take. 60c per bottle.

## ANOTHER GASSER DUE IN MEDINA COUNTY ON TUESDAY.

Medina Syndicate No. 1 Mitchell in the Adams gas field in Medina County will be brought in probably Tuesday of next week. The 6 1/2-inch casing was set at 865 feet and the top of the sand in the No. 3 Adams of the Western Gas and Fuel Company was at 875 feet and it made around 40,000,000 cubic feet of gas, the biggest well that has been brought in within that distance from San Antonio. The plugs will be drilled out of the No. 1 Mitchell of the Medina Syndicate Monday and the well drilled in Tuesday and will no doubt attract attention as it may make another big well.

There is more activity in the territory in Medina County northwest of Devine than in any similar area in Southwest Texas at this time. The limits of the gas field have not been reached either east or west and the possible distance to which it will extend is of more than passing interest.

Carl Brothers, who have drilled most of the wells in the field thus far, brought in the big gas well last week and are drilling the Medina Syndicate well and have set 91 feet of 19-inch surface casing in the No. 6 Adams of Henderson & Holden which is a south offset to the No. 2 Adams of Witherspoon Oil Company. The Henderson and Holden well will resume drilling probably Friday morning and should reach the pay sand by the last of the month.

R. R. Lewis et al at 1,108 Thursday morning were rat-holing and coring ahead with no particular change. It is three miles northeast of the gas area and is the most watched well at this time in the field as being a possible oil producer.

C. E. Lange has set the surface casing about 100 feet of 10-inch in the well he is drilling a little to the east of the Witherspoon No. 2 and the Henderson and Holden No. 6 and should complete it about the same time as the Henderson and Holden No. 6. It is expected to be inside the gas area.

North in the Ina field Arnett Oil Company has spudded in and has been drilling for a few days on the No. 5 Nixon and still farther to the north Texas Company has set casing on its No. 2 Viola Wilson and will drill in within a few days.—Friday's Express.

## MRS. ALFRED RIHON HONORED.

A very nice miscellaneous shower was given in honor of Mrs. Alfred Rihn at the beautiful country home of Mr. and Mrs. Albert Bilhartz, Wednesday afternoon. The living-room was tastefully decorated in yellow and green crepe paper and centered with a big bouquet of yellow chrysanthemums and cedar.

After all the guests had assembled several selected records were played on the Edison after which Miss Thelma Ozell Bilhartz and Master Wesley Rihn presented the honoree with a huge basket filled with many lovely and useful articles.

At three-thirty, lunch was served which consisted of cakes, sandwiches, cocoa, coffee and delicious French dainties.

After lunch interesting games were played in which Miss Eunice Heath and Mrs. Robert Weynand received first prizes and Mrs. Will Breiten and Mrs. Alex Wendland were awarded boobies.

Those who enjoyed the jolly event were: Mr. and Mrs. Albert Bilhartz, Mr. and Mrs. S. B. Heath, Mr. and Mrs. Jack Haby, Mr. and Mrs. Chas. Wendland and daughter, Mr. and Mrs. R. S.
